

The background of the advertisement is a dark, textured surface, possibly black or very dark green, with a subtle pattern of small, irregular shapes. In the top corners, there are two curved strands of small, round, green beads. In the bottom center, there is a cluster of rough, dark-colored rocks. Two large, faceted, green emeralds are prominently displayed on top of these rocks. The text "Emeralds & Co." is written in a large, white, serif font, and "By Only Natural Gemstones" is written in a smaller, white, serif font below it.
